Saturday

Men's Group Bible study

We are extremely excited about what God has been doing here over the past several months. Last month we mentioned our plans for beginning to meet in Potrerillos on Sunday mornings, and we are still looking for a place to rent. Beginning a few weeks ago, a group of us, began going out to Potrerillos every Friday and Saturday afternoon to study the Bible with those interested in personal Bible studies. The groups are slightly different each day, but anywhere from ten to fifteen people go each afternoon.

After beginning with a group prayer, we divide into groups of two or three people and go to our various studies. Each group is made up of one leader (someone who has experience teaching) and one or two apprentice teachers (Christians who are interested in learning how to study the Bible with someone). In a month or so, the apprentice teachers will begin leading the studies and once they are ready, they will start teaching their own studies as leaders and bring with them new apprentices. There is so much interest and excitement among the members.

Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.

Matthew 28:19-20

Teaching in Schools

The Honduran school year ends in November. There are only two more teaching sessions for us in the schools this year. Our team consists of Kris, Gerson, and three Christian women from our congregation who selflessly volunteer their time and energy in God's service. Their names are Carolina, Flor, and Nidya.

We are so thankful that we have been invited into schools to teach Bible stories, Christian values as well as Personal Hygiene. God willing, we will be able to continue this work next school year, which begins in February, 2020.

A New Brother in Christ

José is now our brother in Christ. This story is one of how our Christians in Corquín shared their faith in God. José first visited our men's group about a year ago. He was invited by our young Christians and faithfully attended our meetings on Saturday evenings. To hear him tell his story, he did not have any interest in God his first 17 years of life. However, God pulled him in, and he started studying in January of this year. Lito and Mike studied with Jose and Miguel for several months and just when it seemed they were ready to commit; Satan threw some curveballs. There was a period of about 10 weeks where everything became chaotic. José got the mumps and life seemed to become "too hectic." None of this stopped God and we are rejoicing with Him and His angels because, as you can see from the photo above, Jose gave his life to our Lord and was baptized on September 29th. He is our first baptism in the building using a provisional inflatable pool. Please pray for him and his wife Daisy who began studying with Kris and Carolina three weeks ago.

A narrow escape...

On September 9, Mike was on his way home from Santa Rosa and Kris was on her way to the hospital in Santa Rosa with Mina, one of the Christian women. There was torrential rain and it was difficult to see. We passed each other on a very messy part of the road. A few hours later we learned that about ten minutes after passing, the road gave way in that very spot! The road was impassable for over a week. God protected us in a major way!
